Welcome to this gorgeous 2 bed, 1 bath Spanish style home in the heart of Faircrest Heights. A large formal entry opens to a spacious living room with a barrel ceiling, gas fireplace, and high-arched picture window that fills the space with natural light. The dining room leads to a remodeled kitchen with granite counters, a stainless Viking professional chef's range, and ample cabinet storage. The primary bedroom opens through classic French doors to a generous backyard with a large tranquil fountain and built-in gas BBQ, creating seamless indoor-outdoor flow for relaxing or entertaining. The 2nd bedroom also opens to its own private patio. The travertine spa-like bathroom with a wood-beamed ceiling and marble counter has a separate jet tub and large shower with extra jets for ultimate relaxation. This home feels warm and inviting, with its wood-framed windows and hardwood, stone, and travertine floors. A 2-car, drywall-finished garage with alley access delivers rare convenience and privacy, offering the space and freedom of a single-family home, making this a compelling alternative to condo living. Ideally situated near shopping, dining, and major transportation routes.
